## ACCOMMODATION Accommodation - Raby

When hunting on the Raby Estate our guests stay in a cozy Bed and Breakfast, which is run by a very friendly and hospitable landlady. The lodgings are only about a 20 min drive from the hunting district. Normally our hunts shared a twin room with ensuite bathroom and toilet - unless otherwise arranged. A single room can be booked on payment of a supplement. The guesthouse is situated out in the countryside, and has a real English charm and atmosphere.

destination for non-hunting companions.

Sue, who runs the guesthouse, also has some good cabins for hire, so those hunters who like to cook, can also be well taken care of. The cabins are of a very high standard, and are fully equipped with all the necessary facilities.

On occasion, it is possible to arrange dinner in the guest house - at an extra cost. This should be arranged directly with Sue, preferably a few days in advance.

It will be possible to visit Raby Castle, which is open from May to September. England's highest waterfall, High Force, is also close by and is well worth seeing. In fact the whole area is ideal

### Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
