ACCOMMODATION Jadovno

One of priorities is to provide accommodation for our hunters in single rooms, unless otherwise requested, and typically we can arrange just that. Accommodation is provided in charming, atmospheric hunting lodges, complete with trophies hanging on the walls. The lodges are all beautifully situated either in the hunting district itself or close to it, as we take great pride in ensuring our hunters enjoy the best possible service and a real hunting atmosphere on their hunting tours. Full board is included in the price of all our tours to Croatia, some you will have plenty of opportunities to enjoy the great food which is served in the hunting lodges. The lodges are equipped with all necessary facilities, and in them you will also find free access to the internet.

Depending on the season, it is also possible to arrange a visit to one of the nearby vineyards, which naturally include wine tasting and a good lunch (on payment of a supplement). If you would prefer we can also arrange accommodation outside the hunting district, in a small local town. This does mean that hunters will spend a longer time being transported to and from the hunting district.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with then new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of smalland medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails -and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
