ACCOMMODATION

Estancia Cortaderas

When it comes to wing shooting and fishing lodges Estancia Cortaderas is one of the best in the world. The lodge is located north of Buenos Aires in the province of Entre Rios. The style of the lodge is old colonial style which recalls a bygone era yet has all the modern features of a small luxury hotel.

Estancia Cortaderas has earned a reputation as the finest hunting and fishing destination in South America. Entering the Estancia lodge you will be going through the spacious gun room. Here you will find a gun rack and storage area for every hunter. All rooms are equipped with two queen size beds, air condition, heating, private bath and patio with a fine view.

Dinner is served on fine china and linen tablecloth in the lodge's dining room. There will always be featured a three course gourmet meal. Argentines eat dinner quite a bit later than Europeans are used to, allowing for a lengthy cocktail and social time before dining. The grass fed beef which is served is among the finest quality in the world and is complemented by an array of classic continental game dishes. The gourmet chef can cook a number of argentinian specialties.

HUNTING AREA

Dove shooting Entre Rios

Due to an increase in commercial agricultural activity the local dove population has recently exploded in the province of Entre Rios.

This area features a water saturated green countryside. The fields are increasingly being converted into soy fields, corn fields and sorghum.

This has attracted unusual quantities of doves. When hunting doves in Entre Rios the only limit is your desire to shoot.

About us

i

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krossteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 countries and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
